

Gift Aid

I,

of

..... wish The Cat Survival Trust, The Earth and The Mission Rainforest Foundation whose office is at The Centre, Codicote Road, Welwyn, Herts., AL6 9TU, to treat as Gift Aid donations, all donations (including membership subscriptions and sponsorships) I have paid since 6 April 2000 and all donations (including membership subscriptions and sponsorships) that I make from the date of this declaration until I notify you otherwise. I understand that I must pay Income Tax or Capital Gains Tax at least equal to the tax reclaimed by the Cat Survival Trust, The Earth and the Mission Rainforest Foundation.

Signed and sealed by me this day of 20.....

Signature

Please tick this box only if you are not a UK taxpayer.

GIFT AID allows the charity to claim back the tax you have paid on your contributions to the charity, adding an extra 28% (£2.82 for every £10 given) to the value of your gift without costing you a penny. You only need to pay UK income or capital gains tax equal to the amount reclaimed by the Charity. Even declaring you are not a taxpayer is a real help, as it saves us wasting important resources on future Gift Aid mailings to you. There is no minimum donation under Gift Aid.

Please ring or write if you require any additional information.

Credit/Debit Card Authority

Please charge my Visa / Mastercard / Maestro* a single / monthly / quarterly / annual sum of £..... (delete as applicable)

Signature Date

Card Number:

Expiry date: Three digit code (rear of card):

Issue number (where applicable):

*Please indicate which type of card. Other cards cannot be accepted.

THE CAT SURVIVAL TRUST

www.catsurvivaltrust.org

Membership Application

The Cat Survival Trust was formed in 1976 to work for the conservation of endangered species of wild cat. Originally this was to be achieved by breeding animals in captivity for subsequent release into suitable wild habitat, but it has since been found that the cost of introducing captive-bred cats to the wild is prohibitive and the chance of success only 15%. The Trust still has some of its breeding stock and to these have been added a number of cats displaced by the closure of zoos and other collections.

The captive breeding programme is now restricted to animals which form part of internationally-controlled breeding programmes.

Meanwhile the emphasis has shifted to the conservation of cats in their natural habitat by the purchase of land for reserves. This is at present a much more cost-effective way of achieving the Trust's aims. One such reserve has already been established in Argentina and this has now been adopted as a Provincial Park.

A campaign is to be launched, once the ground work has been completed, to buy another 300,000 acres of land in seven countries to create more reserves.

The Earth, formed in 1988, is a department of the charity which concerns itself with general conservation matters. One of the main dangers to wild cats is loss of habitat, which in turn is due to man's wasteful misuse of resources, and this leads to concern about such matters as recycling, pollution, desertification and so on. The purchase of our rainforest reserve in Argentina which led to the formation of the Fundación Selva Misionera or Mission Rainforest Foundation was achieved under the banner of The Earth.

The Trust makes extensive use of voluntary help – in our 40 years of operation, we have never had any paid staff – any time that you are able to devote to helping in the office or with manual work about The Centre will be gratefully accepted. Please indicate your willingness to help in the appropriate place on the membership form.
